

## Wortham Primary School - Sport Premium Action Plan

**PE Purpose:** A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

**Sport Premium Vision:** All pupils leaving primary school to be physical literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

**Sport Premium Objective:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

### Sport Premium Indicators of improvement:

- The engagement of all pupils in regular physical activity-kick starting healthy lifestyles
- The profile of PE in sport being raised across the school as a tool for whole school improvement
- Increase confidence, knowledge and skills for all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

#### Background

In 2021-22 the DfE has again doubled the amount each school will receive for Sports Premium funding (£16000 plus £5 per pupil). For WPS this will amount to app. £16515. This money is ring fenced and must be spent on sport and PE. To aim of this Sports Premium is to provide: CPD to deliver outstanding PE lessons; enhanced depth and range of sports being delivered in school (CPD); to raise awareness of the benefits of physical activity on the body and self-esteem. **All of the areas of focus have been reviewed and planned for but are dependent on on-going and future Covid-19 restrictions.**
