## A Fantastic Day Celebrating Numbers

We had a wonderful day celebrating numbers across the school, filled with learning, creativity, and fun. The day began with a whole school assembly where the children learned about the NSPCC and why we were raising money for this important charity.

Throughout the day, classes took part in a wide range of number themed activities. Bumblebee Class enjoyed a welly walk, spotting numbers in the environment, while the rest of the school joined an exciting live Times Tables Rock Stars competition, the children showed great enthusiasm and effort, and should be very proud of themselves. Other activities included exploring the Fibonacci sequence and the Golden Spiral through art, enjoying number stories and role play, and taking on a real life budgeting challenge, where Otter Class designed a bedroom within a set budget. We finished the day with a celebratory awards ceremony, recognising achievements on NumBots and Times Tables Rock Stars, as well as showcasing some fantastic number themed outfits and costumes. It was a brilliant way to end a day of rich learning and enjoyment.

Thank you to our parents and families for your generous support of the NSPCC. We have raised a fantastic £181 so far. The QR code remains live should anyone still wish to donate — thank you for helping us support such an important cause.

Why Your Support Matters

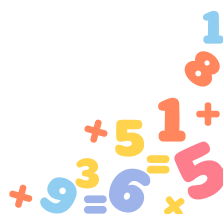

**The NSPCC need support more than ever.** By raising money, we can help fund vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Please make a difference to a child's life today by scanning the QR code above and making a donation, however small.

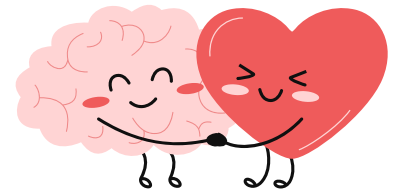

**When we all join together, we can make a massive difference!**

## Children's Mental Health Week

Next week, we will be marking Children's Mental Health Week, with this year's theme "This Is My Place", which focuses on belonging and helping children feel safe, valued, and accepted. Throughout the week, children will take part in activities and discussions that encourage them to share their thoughts and feelings, listen to one another, and recognise that their voice matters. By marking Children's Mental Health Week in this way, we aim to nurture children's emotional wellbeing and reinforce that our school is a caring community where every child feels included, supported and valued.

## Upcoming Visit from Our Local MP

Next week, we are looking forward to welcoming Adrian Ramsay to Wortham Primary School. Adrian will be leading a whole school assembly, where he will talk to the children about what an MP does, how MPs represent people in their local area, and why everyone's voice matters. This visit will provide valuable learning for the children and links closely with our work during Children's Mental Health Week, particularly the theme of belonging. It will also support children's understanding of community, responsibility, fairness, and how individuals can make a positive difference. We are delighted to be able to offer the children this opportunity to engage with and learn more about democracy and representation in a meaningful and age-appropriate way.

# Friends of Wortham School (FoWS) – AGM

## Reminder

Friends of Wortham School (FoWS) would like to remind parents and carers about their upcoming Annual General Meeting, taking place on Tuesday 10th February at 8.00pm. This meeting is a great opportunity to hear more about the fantastic work FoWS does, learn about plans for the year ahead, and consider whether there are ways you might like to get involved in supporting the school.

FoWS plays a vital role in school life, raising funds that help make many much-loved experiences possible for our children, including discos, the summer fair, school trips, visitors, and special activities. They also support the school by funding resources such as laptops, library books, and outdoor equipment for Bumblebee Class. Staff and governors are incredibly grateful for their continued support.

During the AGM, FoWS will share an update on fundraising over the past year, explain how funds have been used to benefit the children, discuss upcoming events, and appoint the new committee. A minimum of 25 attendees is required for the meeting to go ahead, so attendance would be very much appreciated.

The meeting will be held virtually via Zoom. Joining details are as follows:

Topic: FoWS AGM

## New Sports Kits

We are extremely grateful to have received a very generous donation from one of our parents, whose company raised a significant amount of money to support Wortham Primary School. As a result of this fundraising, we have been kindly gifted 29 full sports kits for our children to wear when representing the school at sporting competitions.

The kits include hoodies to help keep children warm during outdoor events and feature the Wortham Primary School logo embroidered on them. In addition, we have also received new sports equipment and bags to store the kits safely.

The children are already very excited for our next sporting event, where they will be able to wear their new kits with pride while representing our school. We would like to extend our sincere thanks to Mr Schofield for his generosity and support.

## Baby News!

We would like to congratulate Mrs Sleath and her husband on the arrival of their beautiful son, Rupert Finley Sleath, born on 30th January and weighing 7lb 10oz. They are all doing incredibly well, and we are looking forward to meeting baby Rupert soon!
