Neurodiversity Workshops – Suffolk PINS Project

We are pleased to remind parents and carers about our upcoming Neurodiversity Workshops delivered through the Suffolk PINS Project (Partnership for Inclusion of Neurodiversity in Schools). These sessions aim to strengthen understanding between home and school so that neurodivergent children feel happy, supported and ready to learn. A diagnosis is not required to attend.

Are you interested in learning more about neurodiversity, autism, ADHD, learning differences, emotional regulation or executive functioning? We would warmly welcome you to join our staff so we can learn together.

Book Share - Wednesday 25th March

As you are aware, children's annual written reports will be sent home in the final week of the Spring term. In addition, we have added a new date to our Spring Term calendar. On Wednesday 25 March, we would like to invite parents and carers into school to look through their child's books. This is a lovely opportunity to see your child's progress across the Spring term and to share in the work they are particularly proud of.

You are welcome to visit between 2:00pm and 4:30pm. Please come to the main office and you will be directed to the hall where the books will be available to view. If you arrive before the end of the school day, we will send your child to the hall to look through their work with you. If you arrive after school, your child may attend with you.

We look forward to welcoming you.

Lost Property

We already have a number of unnamed items in our lost property, including uniform, lunch boxes and water bottles. Each Friday, we will place the lost property outside the main office, under the foyer area, before and after school. If your child is missing any items, please do come and have a look through.
