This Week at Wortham...

Book Club!

Some of our children in Year 5 have organised and set up a 'book club' for all children to come along to and enjoy. The 'book club' is on every Tuesday and Thursday lunchtimes and is held near the entrance to the Forest School.

We now have an area under the trees with picnic blankets so that children can sit and enjoy reading their own book (KS2) or, enjoy one of the books that the book club monitors have carefully selected.

The older children are also there to read stories from a selection of picture books to any of our younger children who would like to listen to a story. Children can just come along and join in if and when they would like to. It has been wonderful this week to see children relaxing in the warm weather, enjoying reading their book or listening to a favourite story! Here are some photos of the 'book club' from this week.

Crucial Crew

Year 6 had a great morning at 'Crucial Crew' this week. The children took part in a variety of workshops, delivered by professionals in their field. These included a talk from a Police Officer about staying safe online, alcohol and drug awareness and what to do if you were in a building where there was a fire.

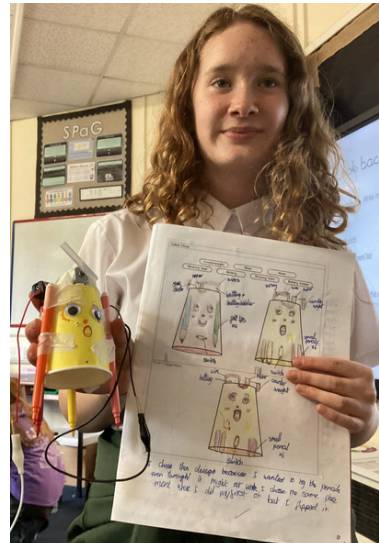

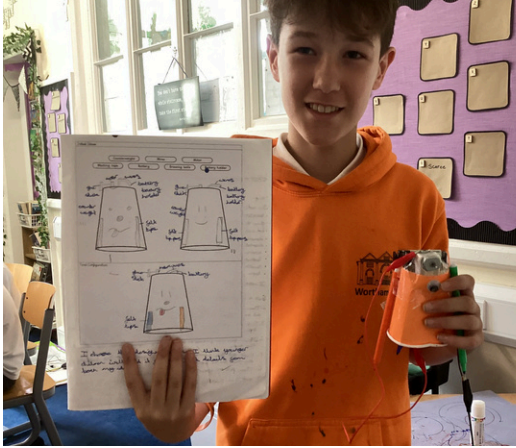

Lifetime - Hockey

This half term, Hedgehog class are very lucky to be having their lifetime sessions, being delivered by professional coaches from Harleston Magpies Hockey Club!

Engineering in Otter Class

This week Otters have had fun building their own moving 'Doodler' as part of their DT project. The children have had to test and build an electrical circuit and incorporate this into an appealing product that they have designed and made.

What's on next week?

Wednesday:

- Y6 - Hartismere High School

Thursday:

- Move up Day
- Y6 - Hartismere High School

Friday:

- FoWS Non-Uniform day for tombola and raffle donations.
