

## School SATS Results 2016

This year's SATS tests are the first which assess the new, more challenging national curriculum which was introduced in September 2014.

The school was exceptionally pleased with the results achieved and despite a lot of uncertainty surrounded the testing regime, we were delighted to see that our results were well above the national average.

Well done to all of the Y6 pupils, teachers and parents for their dedication and hard work that they have shown over the course of the year.

The table below shows the number of pupils meeting or exceeding the age related expectations for the end of Y6.
