

How can you support your child's learning at home?

- Practice times tables - <http://www.topmarks.co.uk/maths-games/hit-the-button>
- Board games / card games e.g. UNO.
- Counting forwards and backwards in ones, twos, fives and tens.
- Keeping a diary
- Writing the shopping list
- Reading comics and magazines.
- Reading non-fiction books, especially ones related to our Topic. The local library will be a great place to visit.
- Cooking - measuring out ingredients and cooking times.
- Going swimming (the children will be going swimming in the summer term).
